

ALLERGENS

At XO, we take hygiene, sanitation and the safety of our customers very seriously. Although we take precaution to avoid cross-contamination, we cannot guarantee a 100% allergen-free environment. Because we use dairy, nuts, eggs, gluten, seeds and soy-based products, our ice cream, sorbets and waffles may come into contact with allergens. The table below allows you to be informed about allergen risks at the shop and make the best decision for yourself.

Thank you for your visit,
